It is your responsibility to ensure that the planned treatment accurately reflects your wishes as discussed with your Consultant in relation to your care.
- 1.2 Following your initial consultation with your Consultant, if you decide to continue with the treatment proposed by your Consultant (or as described in your Treatment Plan, if you are given one by our Self Pay team), you may be asked to either:
  - (a) pay the full amount set out in your Treatment Plan if your care is scheduled to take place less than three (3) working days from the date of your initial consultation; or
  - (b) for patients whose care is being funded by a third party (including an insurer or sponsor) you may be asked to pay any other amounts agreed with Nexendo Healthcare, as specified in the relevant Treatment Letter; or (c) pay a deposit towards your care.

## Section 2

### 2.0 Patients with private medical insurance or a third party sponsor

Before your treatment

If you have private medical insurance you will need to speak to your insurer in advance of your treatment to get confirmation that your care is covered by your insurance policy. We would recommend that you ask your insurer if there are any exceptions within your policy.

You will need to provide us with details of your insurer, your registration number, your level of cover, scheme details and your pre-authorisation number which your insurer will provide to you.

#### 2.1 Where you have a Sponsor who has agreed to pay for your care please ensure you have authorisation from them prior to booking your care with us.

If a Sponsor has agreed to pay for your care, Nexendo Healthcare will require details of such party including your relationship with them and contact details for them. Nexendo Healthcare reserves the right to verify with a Sponsor any arrangement in place between you and your Sponsor before agreeing to provide care.

You agree to provide all information requested by Nexendo Healthcare to verify, to our satisfaction details of any such arrangement including a letter of guarantee from your sponsor confirming to us that they will cover the costs of your care at Nexendo Healthcare a minimum of five (5) working days prior to your treatment/appointment date.

#### 2.3 Payment

You agree with Nexendo Healthcare that you will pay for your care. Whilst you will remain responsible for the payment of your care, where you have private medical insurance or a third party has agreed to pay for your care;

(a) We will, where possible, process the claim for your care with your insurer or Sponsor, provided you have given us and your insurer or Sponsor all the information we need to do so. If this information is incomplete or inaccurate, we may not be able to process your claim and you will need to pay for your care, as set out in (c) below;

(b) Where we process your claim and your insurer or Sponsor pays us direct, the rate agreed between Nexendo Healthcare and your insurer or Sponsor will apply to your care;

(c) If your insurer or Sponsor fails to settle our invoices (or any part of them) within thirty (30) days of the date of the invoice we will assume that the outstanding amount will not be paid by them and you will become immediately liable for payment in full. We may invoice you direct or debit the relevant balance from your credit or debit cards in accordance with the process set out in paragraph 1.12;

(d) If we invoice you for your care, or for an element of it, you agree to pay us the amount invoiced within 30 days.

If no rate has been agreed between Nexendo Healthcare and your insurer or Sponsor in respect of your care, Nexendo Healthcare Standard Rates will apply to your care.

If you pay for your care and subsequently seek reimbursement from your insurer or Sponsor, and if no other rate has been expressly agreed between you and Nexendo Healthcare, Nexendo Healthcare

Standard Rates will apply to your care. You must pay the full balance a minimum of three (3) working days prior to your scheduled admission date.

We recommend that you keep in contact with your insurer or Sponsor at each stage of the Care you receive to ensure you are appropriately covered.

## **2.4 What your insurance may not cover**

Some insurers use Care guidelines that may not match the professional medical opinion of the Consultants, nursing staff and other medical professionals providing your care. In some cases this can mean that your insurer may not pay for certain parts of the Care you receive, and you will be required to pay for that part of your care. In particular you should note that treatment for complications may in some cases not be covered by insurance and in such cases you agree to cover the cost of your care.

Your insurance policy may not cover the cost of Sundry Items or other items such as specialist equipment, or it may only cover part of such costs. You will be required to pay for any such items not reimbursed by your insurers before you are discharged.

If you are authorised for a procedure by your insurer and you choose to have a further procedure which is not covered by your policy, you will be given a Self-Pay guide price for this procedure. It is your responsibility to ensure that your insurer is made aware of the additional procedure(s).

## **Section 3**

Self-funded patients

### **3.0 Price**

If you are paying for your own Care and it is not covered by a Fixed Price Treatment Plan, following your initial consultation you will be provided with a Treatment Letter containing a written Guide Price of the costs for your Care. Please note that this will not cover the costs of your Consultant who will advise you separately of their fees and invoice you directly for the treatment they provide.

It is not always possible to give an exact price for the care you will receive at Nexendo Healthcare and the total cost may depend on a number of factors, including any pre-existing conditions you may have. Nexendo Healthcare will always try to provide an accurate guide and if the cost of your care is likely to exceed this Guide Price, Nexendo Healthcare will try to notify you as soon as possible.

Prices are valid for a period of two (2) months from the date of issue.

You are responsible for the payment of all Care you receive at Nexendo Healthcare including any Sundry Items.
